AFFIDAVIT OF LISA E. ANDREW, CPA

1. I, Lisa E. Andrew, am over 18 years of age, and I am competent to testify in this case.
2. I am a Certified Public Accountant licensed in the state of Maryland.
3. On August 25, 2005, immediately after the conclusion of trial case number 20-C-02-004615 in the Circuit Court for Talbot County, I witnessed a conversation between John C. Dodd, III and James A. Johnson.
4. The conversation took place at 19 Bay Street, Easton.
5. Mr. Dodd told Mr. Johnson that he was shocked that not one piece of evidence of criminal behavior by the Defendants was introduced at trial.
6. Mr. Dodd then told Mr. Johnson that he was going to contact the FBI and the press about the criminal activities Mr. Dodd and those helping him had uncovered and passed on to Semmes.
7. Mr. Johnson replied that Mr. Dodd could not do that and told Mr. Dodd he would suffer severe consequences if he told anyone anything at all about the BBI/S2i criminal activities. Mr. Johnson was very forceful in his tone.
8. Mr. Dodd asked Mr. Johnson what he meant by severe consequences. Mr. Johnson did not address that question and told Mr. Dodd to make believe none of the criminal activities ever happened.
9. Mr. Dodd again asked Mr. Johnson what he meant by severe consequences. Mr. Johnson again did not answer the question and told Mr. Dodd that he needed to move on with his life.
10. Mr. Dodd asked again about the severe consequences, got no response from Mr. Johnson and told Mr. Johnson this was a massive cover-up and he was definitely going to the FBI and the press.

11. I received a follow-up fax from Mr. Johnson on August 29th, 2005, that was much milder in tone than the actual conversation that took place between Mr. Dodd and Mr. Johnson.

I hereby solemnly swear and affirm, under penalty of perjury, that the contents of the foregoing affidavit are true.
